Associate/Full Professor of Epidemiology

The Department of Epidemiology is recruiting (2) tenure-track faculty member at the Associate or Full Professor level. The Department is situated jointly within the College of Public Health and Health Professions (PHHP) and the College of Medicine (COM), in the Clinical and Translational Research Building, facilitating multidisciplinary research. Faculty members pursue independent and collaborative research; they also may teach in the MS and PhD in Epidemiology Programs or the Master of Public Health program. They are advisors and mentors to a wide variety of students. Our current faculty are leaders in aging, cancer, cardiac, chronic disease, environmental, infectious, substance abuse and psychiatric epidemiology. The department also has a vibrant research portfolio, with over $7 million in external funding which includes two NIH T32 training grants and multiple NIH grants.

Qualifications

- Doctoral degree in Epidemiology or related field required
- Substantial expertise in epidemiology
- Strong publication record
- Demonstrated excellence in teaching and mentoring
- Established record of funding

Submit cover letter, CV, and list of references
Review of materials will begin immediately and continue until appointment is made.

The University of Florida is a comprehensive research-extensive university that includes a full range of academic departments and programs (www.ufl.edu). The College of Public Health and Health Professions (www.phhp.ufl.edu) is part of the University’s Health Science Center. The UF Health Science Center (https://ufhealth.org/about-us) is the country’s only academic health center with six health-related colleges located on a single, contiguous campus. They include the colleges of Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, and Veterinary Medicine. The Health Science Center generates more than half of UF’s total research awards.

The University of Florida is an equal opportunity institution dedicated to building a broadly diverse and inclusive faculty and staff. Hiring is contingent upon eligibility to work in the U.S. Searches are conducted in accordance with Florida’s Sunshine Law.
