The University of Florida is a comprehensive research-extensive university that includes a full range of academic departments and programs ([www.ufl.edu](http://www.ufl.edu)). The College of Public Health and Health Professions ([www.phhp.ufl.edu](http://www.phhp.ufl.edu)) is part of the University's Health Science Center. The UF Health Science Center (<https://ufhealth.org/about-us>) is the country's only academic health center with six health-related colleges located on a single, contiguous campus. They include the colleges of Dentistry, Medicine, Nursing, Pharmacy, Public Health and Health Professions, and Veterinary Medicine. The Health Science Center generates more than half of UF's total research awards.

*The University of Florida is an equal opportunity institution dedicated to building a broadly diverse and inclusive faculty and staff. Hiring is contingent upon eligibility to work in the U.S. Searches are conducted in accordance with Florida's Sunshine Law.*
